

ALL DIMENSIONS IN MILLIMETRES (mm)

Measure between the centres of the relevant mounting or fitting points unless stated otherwise. Confirm all measurements before fabrication.

TOP VIEW**SIDE VIEW****MEASUREMENTS TO PROVIDE**

- 1 Front frame width
- 2 Stern frame width
- 3 Distance between front and stern frames
- 4 Overall frame height

Measurement tolerance: due to the easy-fit design and the nature of the structure, customer-supplied measurements are accepted within a tolerance of ± 10 mm. Check all dimensions before fabrication.
